TAWI

Get return on your investment with the TAWI equation

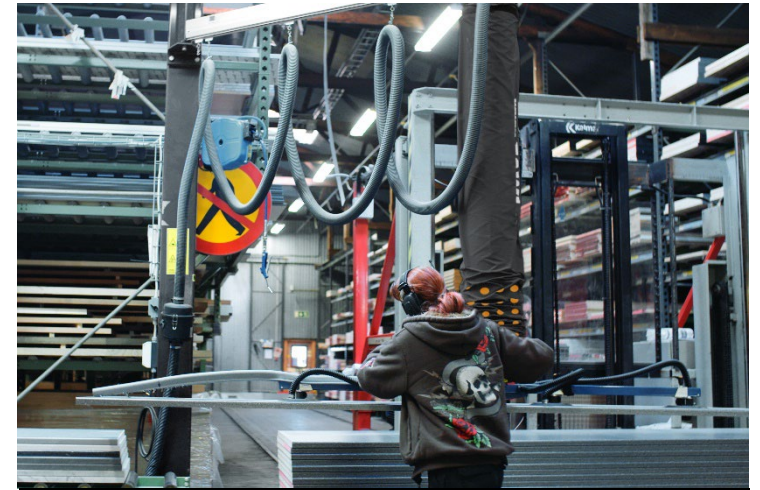

Productivity

Increase productivity by making lifting easy. When lifting is easy you can lift more, with less effort.

Health

Relieve employees from strenuous lifting and help them stay healthy, alert and efficient. All day. Every day.

Flexibility

Give everyone the power to lift. Create a flexible workplace where employees can move between workstations to avoid unnecessary downtime and ensure continuous productivity.

Flexible vacuum lifter

- Lifting capacity: <270kg
- Lift & tilt sheets 90 degrees
- Can handle various sheet material; wood, laminate, glass & metal
- Make it possible for a single operator to load & unload large sheets

TAWI – A strong partner

Our lifters are designed to make lifting easy and efficient, for everyone. The systems are smoothly integrated in your workflow with user-friendly lifters requiring little maintenance.

Here's a selection of customers using our solutions today:

LG Collection

- 40+ years experience of manufacturing wooden panels, laminated & mash panels etc.
- 20 different lifters from TAWI enabling everyone to lift large & heavy sheets and keeping an even pace throughout the whole day.

“The amount of sick leave has been minimized”

Björn Skoglund, Production Leader, LG Collection, Sweden
